Dear Sir,

S/W. "EGBERT VINKE", S/W.
"NELLIE VINKE" & S/W. "TRUDY VINKE"

I am in receipt of your letter of 25th inst., and in reply have to state that the above named Whalers are still laid up. They did not go South to the Antarctic last season with the rest of the fleet, as according to the International Agreement, the Netherlands fleet was restricted from 18 to 14 catchers.

u/s CTN. 30/6. BS.
The "Elly W. Vinke" has been brought into use (& is still under survey), but it is not likely that the "Robert W. Vinke" will go South with the expedition this season, as it is understood that she will be laid up.

Yours faithfully,

W. Ritchie
Surveyor.
