LLOYD'S REGISTER OF SHIPPING,

CAPE TOWN.

14th March, 1957.

The Manager,
Messrs. Vinke & Co., S.A. (Pty) Ltd.,
CAPE TOWN.

Dear Sir,

With regard to my letter of 29th January 1957 addressed to your good selves on the subject of the Continuous Machinery arrangements for the whalers, I would appreciate an answer to same.

My Principals in London are enquiring if I am yet in a position to furnish them with a reply.

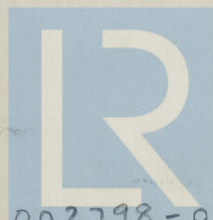

Overdue Surveys

At the same time could I be informed as to what arrangements are proposed to be made to carry out the overdue Boiler surveys of the S/W "TRUDE VINKE", S/W "ELLY W. VINKE", S/W "ROBERT VINKE" and the S/W "NELLIE VINKE". The Screwshaft Survey of the latter vessel becomes due at the end of May next.

Hoping for an early reply,

Yours faithfully.

Surveyor to Lloyd's Register.
