Dear Sir,

"JULIAN PRESA"

We enclose copies of correspondence which deals with the case of a survey held recently on the above named ship and our report No. 60247.

Our report on the case is probably under consideration at the present time and, although we consider the proposed extension of the limits imposed by us merits favourable consideration, we think it advisable to await the Committee's views before complying with the request of the Owner's Representative.

We shall be pleased if you will put us in a position to reply to Mr. Macdonald Kirk's letter as soon as possible.

Yours faithfully,  
The Surveyors,  
per:-

The Secretary,  
LONDON.
