Port of Genoa (III),

Piazza Cavour, 35, 14th November 1933.

Dear Sir,

This vessel has now been assigned a Convention Freeboard by the Registro Italiano Navale ed Aeronautico, which has now been verified and for which is enclosed a Rpt C.12 (a) duly completed, also the old certificate for cancellation.

The only alterations required were the raising of the heights of the air pipes to 36" above the deck and the fitting of wood plugs, the raising of the height of the coaming of the doorway at the after end of the midship deck-house leading to the tween deck store, to 24", and the making of the doors to the Engine & Boiler spaces to operate from both sides.

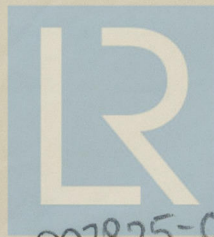

We are, Dear Sir,

Yours faithfully,

Cyril A. Townsend
