

NAVIERA GOBALDRE S.A.

Bilbao, 31.12.58

Sres. Lloyd's Register of Shipping  
BILBAO

Dear Sirs,

S.S. "GOBEO"

We duly received your letter of the 28th October, 1958 and have to inform you that although this vessel since her construction has always been classed 100A1 in accordance with your Rules, due to unavoidable circumstances we must request that the class of the above vessel "GOBEO" be expunged. The principal reason for this decision is that the vessel will not be in service much longer due to her age.

We have the satisfaction that during many years we have always carried out our duties towards you without question.

Awaiting your news about this matter.

We remain,

Yours faithfully,

Signed:- Angel de Gobeo.
