Ans.

Dear Sirs,

## "G" Class Vessels

We thank you for your letter of the 6th instant advising us that you are agreeable to the above class of vessel extending the restricted area under which they are at present trading to include Christmas Island at the present draft of 20'5½".

As suggested by yourselves, the most convenient time for the Loadline Certificates to be amended will be as and when each ship next calls at Singapore and we shall be very much obliged if you will kindly advise your Surveyor at that port accordingly. We have advised Shell (Eastern) Ltd. accordingly and have asked them to contact your Surveyor with a view to arranging a mutually convenient occasion for each ship.

The granting of our request will be of considerable advantage from a trading point of view and we would like to express our appreciation for your co-operation in this matter.

Yours faithfully,  
For: SHELL TANKERS LIMITED
