15th August, 1946.

Dear Sirs,

S. I duly received Mr. Brant's letter of the 9th ultimo respecting the steamer "GALEOMMA", and regret that a reply has not been sent to you before this in regard to the dynamos fitted in this vessel. The remarks contained in the letter sent to you by the Sunderland Forge and Engineering Co., Ltd. have been carefully noted, and I have to inform you that these arrangements are considered satisfactory and will be in order in similar installations.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
SUNDERLAND.
