Dear Sirs,

Classn(S)
RNC

Motorship "BROWNS BAY"

I have your cablegram of yesterday's date and have reported to the Committee today the request of the prospective new Owner for an up-to-date notation provided the ship is examined in drydock.

In confirmation of my cabled reply to you this afternoon, I would inform you that the Committee do not feel they can agree to advance the notation of S.S. Kel 10,53, without the requirements of a Special Survey of hull and machinery being complied with, and you should inform the prospective purchaser accordingly.

Yours faithfully,

Deputy Clerk to
the Classification Committee.

The Surveyors,
KIEL.
