Dear Sir,

"BROWNS BAY"

In reply to your letter of 11th instant in respect of Messrs. Kieler Howaldtswerke's application for certificates for this ship we have explained this matter to them in the light of your cable and our Rpt. 10 of 14th October 1954 and they now appear to accept the situation as satisfactory.

It is understood that they wished in the first place to have the original Hull and Machinery certificates issued to the Coast Lines Ltd. when the ship was built.

Yours faithfully,

R. A. Hunter

For the Surveyors.

The Secretary,
London
