Dear Sirs,

"EFFIGNY"

From the enclosed copy of letter which has today been addressed to the Colombo Surveyor, you will observe that, in view of the vessel's condition, the Committee have suspended her class.

I shall, therefore, be glad if you will kindly report the circumstances to the Indian Government Authorities in order that they may take any appropriate action regarding the Load Line Certificate, which was issued by the Society in this case on the 2nd April, 1955 on their behalf. A copy of this certificate was sent to your port with my letter of the 1st April, 1955.

Yours faithfully,

pro Secretary
