Dear Sirs,

NANAQUA COAST ✓ MASHORA COAST
ZULU COAST PARAAT

I am in receipt of your letter of the 15th instant enclosing one from the Principal Officer Marine Division of the South African Department of Transport and as desired I enclose photostat copies of the Freeboard Reports and Computations relating to the above ships for transmission to the authorities.

It is noted that these ships are to remain in class. Freeboard is a condition of class and if there is any proposal to reduce the freeboards, you should inform this Office so that the matter may be considered from this point of view.

The freeboards assigned should be reported in due course when finally assigned by the South African authorities so they have to be approved by the Committee for classification and posted in the Register Book if there are any alterations.

Yours faithfully,

per Secretary

The Surveyors,
