CAPE TOWN.

Dear Sir,

As you are aware, Messrs Thesens Steamship Co. Ltd. have been obliged to apply to this Department for the issue of Local Load Line Certificates in respect of their vessels "Namaqua Coast", "Mashona Coast" and "Zulu Coast".

It has been noted with satisfaction that the owners intend to continue the classification of their vessels.

In order to effect the change of load line certificates with the least trouble to everybody concerned, it would be appreciated if you could furnish me with copies of the load line computations and conditions of assignment for reference.

Yours faithfully,

C.S. RUSSELL.
PRINCIPAL OFFICER.
