18th March, 1921.

Dear Sirs,

I am in receipt of your letter of the 14th instant, and carefully note what you say regarding the Olderfleet Shipbuilding & Engineering Co., Ltd. In all the circumstances it is not desired that you should render any account to the Official Receiver in respect of the amounts which may be considered to be due to this Society for services rendered, and for expenses.

The practice of the Society in such cases is to regard the fees and expenses as debited to the particular vessel concerned, the classification of which cannot be completed until all the outstanding fees, etc., are paid in full.

I await with much interest the further letter from you as regards the position of the Larne Shipbuilding Co., Ltd.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
BELFAST.

Assistant to the Secretary.
