Dear Sir,

"THELIDOMUS".

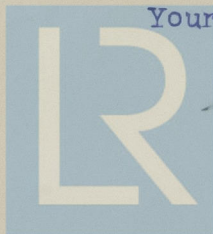

With reference to your letter dated 10th September and reminder of 13th October, I wish to inform you that the only information I have been able to collect is that the Emergency Generator fitted was constructed by "Bolinders Co. Inc. New York" and not built under Lloyds Survey.

In the case of T.2 Tankers, it will be interesting to know whether this Generator should be included in Special Surveys.

Yours faithfully,

BA Bedford

The Secretary,
LIVERPOOL.
