10th September, 1948.

Dear Sir,

With reference to Liverpool Report No.127333 on the tanker "THELIDOMUS", it is noted that 75 KW emergency generator set was installed at your port, and I shall be obliged if you will enquire of the Surveyors and let me know whether this set was built under survey.

In any case, full particulars as far as possible should be forwarded for record purposes here.

Yours faithfully,

The Secretary,
LIVERPOOL.
