

Sup at Avonmouth  
Elder file

m.v. "PACUARE"

It is submitted the BRISTOL Surveyors be requested to discuss with the Owners' Superintendent, Capt. J.A. Moore, who is stationed at Avonmouth, the position regarding the equipment of this vessel for the assignment of the figure "1".

They should be informed that the original equipment of this vessel was tested by the Germanischer Lloyd and if this equipment is still on board it will be accepted for the assignment of the figure "1", the notation of "Lloyd's A & CP" being omitted.
