Dear Sir — S.S. "FORIMOLA"

I am duly in receipt of your covering the Hull & Machinery Certificates for this vessel and have passed them on to Builders for delivery to Owners.

The official R^o of this vessel is 150170, Sydney which has been inserted on Certificate for Load Line. In reply to yours asking if the Side Transverses 28½" in depth are fitted forward as approved for this vessel, I have to state that same have been fitted and verified.

Yours faithfully
A. A. Fairweather
Surveyor
