Dear Sirs,

"ISLE OF GUERNSEY"

This case has received consideration in the light of your letter of the 23rd instant, and in the event of your Associates employing the vessel on passenger service between Italian and Greek ports, the vessel's class would be restricted to the Aegean Sea, including Crete and Rhodes, and from April to November inclusive to Italy.

The number of passengers carried on such service does not come within the scope of the Society's Classification requirements, but is determined by the application of the 1948 Safety of Life at Sea Convention, and depends on a number of factors, particulars of which are not in the Society's possession.

Yours faithfully,

pro Secretary
