

Lloyd's Register of Shipping,

RECEIVED

22 JUN 1950

4, Canute Road,

Enclosure ~~ANS~~.....Southampton, 21st June, 1950.

Sir,

T.S.S. "Isle of Guernsey"

In reply to your classing letter dated 13th instant, with reference Southampton Report No. 20255 on the above vessel, we have to inform that the cable sizes given for the "L" boot winch circuit is correct, for $\frac{1}{2}$ hour rating.

The cable particulars for the thermotank circuits are enclosed with.

The plans outstanding were forwarded to you on the 12th instant.

We are, Dear Sir,
Yours faithfully,

Robert W. Stonehouse
pro. The Surveyors.

Secretary, London.

002876-002882-024

~~DO~~
Referred to Mr. Perris.

H. A.
