

002876-002882-0247

Lloyd's Register of Shipping,

RECEIVED

12 MAY 1949

31-32, Oxford Street,

Southampton, 10th May, 1949.

ANSD.....

"ISLE OF GUERNSEY".

In reply to your Classing Letter of the 6th instant, the Hull
 plans requested, which we regret were omitted from the 1st Entry
 are as follows:-

The space between frames 41-53 is a dry compartment, with a
 feed tank frames 53-62 having a length of 18'-0" and a S.W.
 of 32 tons. . .
 The F.W. storage deep tank frames 106-109 has a length of 6'-0"
 .W. capacity of 29 tons.
 The inside surfaces of the bottom of the vessel are coated with
 wash.

We are, Dear Sir,
 Yours faithfully,

Secretary,

W. Smart
 pro The Surveyors.
