Surveyors,

Lloyd's Register of Shipping,  
Middlesbrough.

Sirs,

S/S "WILH. HEMSOTH"

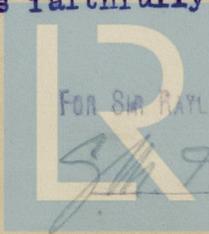

We have been instructed by the Owners to alter this  
vessel's class from Germanischer Lloyd's to British Lloyd's and  
we be glad if you will make the necessary inspection so that  
we will be able to obtain your class. The Owners proposition is  
to pass the vessel through her No. 3 survey and we have received the  
necessary scantling plans etc. from Germany, We will have pleasure  
in sending you copy of these in the course of a post or two.

We are now proceeding with the opening out of the vessel  
under your instructions, after which she will proceed to drydock to  
inspect the bottom plating etc.

Yours faithfully,

RECEIVED
