M. Dear Sirs,

With reference to your First Entry Report No. 10896 on the S. S. "PENTEIFI" I shall be glad if you will be good enough to state whether the side stringers are fitted as shown on the plans, whether you are correct in stating that the bulkhead on frame No. 70, and the collision bulkhead extend to the awning and upper decks respectively; whether the bottom shell plating thicknesses have been verified as far as practicable, and whether the $\frac{7}{8}$ " diameter rivets in the shell plating butts are spaced $3\frac{1}{2}$ " or $3\frac{1}{2}$ diameters apart.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

MIDDLESBROUGH.

Secretary.
