

Ex-German Steamer "PENTEIFI" ex "WILH-HEMSOTH"

1978 tons gross.

---

This vessel was built at Emden in 1908 and classed with Germanischer Lloyd.

She has now been under survey at Middlesbrough for classification with this Society, and has been submitted to S. S. No. 3.

The steamer has been under survey from 2nd November to 20th December, 27 visits having been paid to the hull and to the machinery.

It is submitted that a total inclusive fee of 70 guineas be charged for the survey and classification of the vessel, this amount to include the three guineas freeboard survey fee and the balance to be allocated 47 guineas to the hull and 20 to the machinery.
