9th April, 1947.

Dear Sirs,

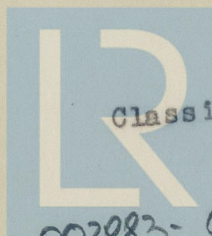

I am in receipt of your letter of the 7th instant respecting the steamer "PREUSSISCH HOLLAND", the contents of which are noted.

In reply I have to say that according to returns received from Hamburg the vessel has been undergoing survey at that port for the assignment of an "Examined LR" notation but the report on the case has not yet come to hand. A telegram has to-day been sent requesting the Hamburg Surveyors to advise you how the case stands.

I have to add that a further communication will be addressed to you in regard to the assignment of a timber freeboard.

Yours faithfully,

The Surveyors,
LEITH.
