Ship's Name

CANELOS

Official No. --

Memorandum of alterations reported since ship was surveyed for assignment of Load Lines
in MAY, 1935.

Two small hatchways 690 x 1050mm fitted abaft No. 2 hatchway on freeboard deck, having 230mm coaming, with wood covers, cleats, tarpaulins and efficient battening arrangements.

The two trunked hatchways, port and starboard, boat deck, now closed, the accommodation side house being extended forward to the fore end of the trunks on the bridge deck.

The portable steel closing appliances at the poop front bulkhead removed and the openings permanently closed by riveted plates.

The poop space now fitted out as crew's accommodation with an efficient steel companionway arranged in way of the hatchway opening on the poop deck. (Ham., Rpt. 8 No. 22917 dated 10.10.38).
