ANSWER

With reference to your letter of the 28th June and my reply of the 3rd July, 1961, I shall be glad to learn what arrangements have been made to carry out the Special RMC Survey, due at the end of June, 1961 which has been postponed until the end of next month.

Date:— 14th May, 1962.

The ship is at present in the Far East. The Owners intend selling the ship for breaking up. If this takes place after the end of June the Owners may decide to withdraw the class of the RMC installation.

A firm decision has however not yet been taken and the company has promised to keep us informed how the case is developing.
