Dear Sirs,

CFA

Motorship "INDIA"

I am in receipt of your memorandum of the 22nd instant, the contents of which have been noted, and shall be glad if you will make it clear to the Owners that the alignment of the starboard main engine crankshaft should be checked by a Surveyor to this Society.

They should therefore be requested to state when and where they propose to deal with this matter.

They should also be requested to make a definite proposal regarding the completion of the Machinery Continuous Survey in view of the fact that the year of grace expires at the end of this month.

Yours faithfully,

pre Clerk to the

The Surveyors,
