Dear Sir,

With reference to the first paragraph of your classing letter of the 27th instant respecting our First Entry Report No. 8405 for the Motor Vessel "INDIA", we beg to draw your attention to an error in the notation of the propeller shafts which is made as O.G. instead of C.L. as recommended in our report. The propeller shafts in question are fitted with continuous liners.

I am, Dear Sir,

Yours faithfully,
