27th February 1962.

Dear Sirs,

R

S.S. "DEMOS" ex "TURKISTAN"

To complete the Main Boiler Survey, which became due at the end of November last, and entitle the vessel to the record MBS 12.61, all safety valves require to be adjusted.

The Owners state arrangements have been made for the survey in question to be completed at Durban, at which port the vessel is due to arrive very soon. I shall be glad if you will be guided accordingly.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
DURBAN
