Dear Sirs,

Re: s.s. "DEMOS" (TURKISTAN)

Further to our letter of the 20th instant regarding the Boiler Survey of the above vessel, we wish to advise you that we have just been informed that although the Survey was carried out at Dakar, the Safety Valves of all three Boilers were not floated at Port Harcourt as anticipated owing to the fact that no Lloyd's Surveyor was available there.

It is intended for the Safety valves to be floated in Durban, which the vessel should be reaching very soon.

Yours faithfully,
p.p. LOUCAS NOMICOS (ENGLAND) CO. LTD.
As Agents.

S. Antonopoulos.
