Dear Sirs,

Re: s.s. "DEMOS" ex "TURKISTAN"

We thank you for your letter of the 16th instant regarding the survey position of the above vessel. We are pleased to note the postponement of the Special Survey until October 1962, and this information is being passed on to the Owners, together with the recommendations stated in your letter. With reference to the Boiler Survey, we understand from a copy of a Report received from the Surveyor at Dakar that it was the intention for the Safety Valves to be floated at the next port following Dakar, which should have been Port Harcourt. We trust a further report regarding this matter will be received by your goodselves in the near future.

Yours faithfully,
p.p. LOUCAS NOMICOS (ENGLAND) CO. LTD.
As Agents.
