S/S "DEMOS"

Center Boiler Survey -

SURVEY CERTIFICATE

This is to certify that the undersigned surveyor

BOUTHELOU Gérard, Ingénieur des Arts et Métiers,
Ingénieur Mécanicien de la Marine,
Expert Maritime,
Domicilié 43 Avenue Albert Sarraut - DAKAR

has, on the 17th January 1962 carried out the survey of center boiler
of the S/S "DEMOS" lying afloat in the Port of DAKAR.

The center boiler has been examined throughoutly, internally and
externally with its mountings, safety valves, etc ...

The safety valves of all boilers remain to be adjusted under
steam in the next port which is PORT-HARCOURT.
