Dear Sirs,

Steamer "DOWNLEAZE"

With reference to Mr. Goodier's telephone conversation with Mr. Cook today, provided an examination is carried out and the ship found or placed in satisfactory condition, a Certificate can be issued for her to proceed on the proposed voyage as an unclassified ship in tow.

The Certificate should indicate that the towage arrangements are the responsibility of the Owners and that it relates only to the fitness of the hull to be towed.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
BRISTOL.
