Dear Sirs,

M.V. "CORYDA"

With reference to your memorandum of the 27th October, it is noted that this vessel is laid up at Singapore and I shall be glad if you will inform the Owners that it will be in order for the Special Survey, Donkey Boiler Survey and machinery subject of class to remain in abeyance meantime, provided they are dealt with before the vessel again proceeds to sea.

The Owners should be requested to give timely notice, when it is decided to resume trading, so that they may be advised of the survey requirements at that time.

Yours faithfully,

c.c. SINGAPORE.

Clerk to the  
Classification Committee.

The Surveyors,  
ROTTERDAM.
