27th October, 1937.

Dear Sirs,

X.

I have to inform you that the steamer "CORNFERRY", Messrs. The Burntisland Shipbuilding Co.'s Yard No. 215, has proceeded to your port with a view to the installation of the machinery.

To complete the survey on the hull the following remains to be done:-

Steering gear and windlass to be seen in working order; and engine casings to be finally examined.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

BURNISLAND.
