Dear Mr. Leeuwenburg,

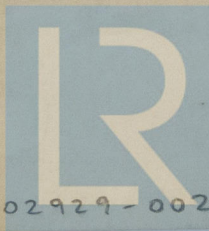

There have recently been four vessels built in Holland for the Curacaosche Scheepvaart My., viz:- "JULIETA", built at Amsterdam, and the "MARTINA", and "MARSELLA", built by the Rotterdam Drydock Co; also the "MARQUITA", a smaller vessel built by the Rotterdam Drydock Co.

We find that we have for filing purposes very few of the approved plans, although we appear to have a set of copies. It is much preferable for the approved plans to be retained here with the First Entry Reports on the vessel, so that they may be available at any time, and I should be much obliged if you would kindly look into the matter and let me know whether you have any of the approved plans in the Office, or at Amsterdam, and would send them over here for filing.

Yours faithfully,

R. Leeuwenburg, Esq.,

ROTTERDAM.
