BOARD REPORT on the

S.S. "Julietta".

It is submitted the surveyors be informed that provisional freeboards for the above ship could be assigned as follows:-
Freeboard amidships from centre of Disc to top of Statutory Deck Line = 4'-2".
Fresh water line above centre of Disc = 3"
Winter Line below centre of Disc = 1 1/2".
Statutory Deck line is 1 3/4" above top of steel upper Deck at side.

The attached sketch should be forwarded to the surveyors and they should be requested to fill in the dimensions indicated thereon (these particulars having been omitted from their freeboard report) and on receipt of this information final freeboards will be assigned.

The surveyors should be reminded that as this ship is of Dutch Brongoship, freeboard certificates will be issued by the Dutch Authorities. They should therefore forward the information asked for above by return of post in order that the necessary copy of the freeboard assignment letter may be sent to the Dutch government Commission as soon as possible.
