Dear Sirs,

S.S. "CAPTAIN COOK"

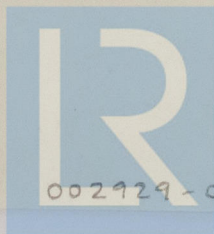

I acknowledge your letter of the 7th March and note that the prospective purchasers desire to take the ship for one voyage in ballast to Japan for breaking up. This proposal is in order, provided the ship be examined and found or placed in satisfactory condition for the proposed voyage, the Boiler Survey completed and the outstanding conditions of class be dealt with as may be considered necessary.

I confirm the telephone conversation yesterday, when you were informed to the above effect.

Yours faithfully,

Deputy Clerk to the
Classification Committee.
