arrangement applies to the machinery.

sal

The prospective purchasers enquire regarding the Society's  
requirements for a voyage in ballast to Japan for breaking up.  
They desire to keep expense to a minimum. The ship is  
35 years old.

ation

Submitted ship be examined & found or placed in  
satisfactory condition for the proposed voyage.

Boiler Survey should be complete and machinery  
Conditions of class dealt with as considered necessary for  
the proposed voyage.
