RECEIVED

Attention: Mr. Martin

- 8 MAR 1960

Dear Sirs,

Ans d 7/3

"CAPTAIN COOK"

We confirm today's telephone conversation regarding the above vessel and, as we have principals interested in purchasing her from the present owners, we shall be glad to hear what work, if any, would be necessary before you would grant an extension of her class.

The extension of class would only be required for a voyage to the Far East in ballast and obviously our principals do not wish to incur a great deal of expense, as she will be broken up on arrival at Japan.

We shall be glad to hear from you at your earliest convenience regarding this matter, as obviously we shall not be tendering for this vessel's purchase if the expense in obtaining this extension is excessive.

Yours faithfully,
For S.L.A. LIMITED.
