Secretary,
London.

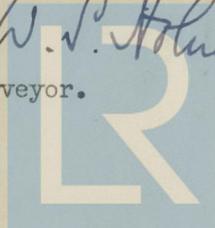

Dear Sir:

In reply to your letter of 5th inst. dealing with my report No.5362, and with reference to copy of letter from Shell Tankers Ltd., I regret to state that, due to similarity of names, an error occurred in reporting that three lengths of cable had been removed from the "NAVICELLA", instead of the "NACELLA".

Yours very truly,

W. P. Holmes

Surveyor.
