Dear Sir,

m.v. "BRITISH CAPTAIN"

We would thank you for your letter dated 8th October inquiring about our arrangements for carrying out the Special Survey which falls due at the end of November.

It is our intention to dock the vessel before the end of November, although it has not been decided at which port. When this is known we will advise you accordingly. We would, of course, carry out the Boiler Survey at the same time.

Yours faithfully,  
BP TANKER COMPANY LIMITED.
