Dear Sir,

I have to acquaint you that I am in receipt of a communication from the Society's Surveyors at Bombay in which he states he has been informed by you that no arrangements have yet been made with a view to the Special Survey No. 1 being carried out and I have to say that, in the circumstances, the Committee, who had the case before them at their meeting today, have deferred consideration of the same for the present.

You will be so good however as to advise me immediately the vessel comes under survey or should you receive any further information in regard to the case.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

W. A. Cable, Esq.,
KARACHI.
