In March last the Society's Surveyor at Bombay was asked to ascertain the Owners intentions regarding the above survey, and in reply he states that he has written twice to the Owner and now awaits a reply to his third enquiry. He adds that the survey will be held at Karachi and the Owner has been asked to make the necessary arrangements with the Society's Surveyor at that port, but from a letter received by him from the Karachi Surveyor it would appear that no steps have yet been taken in the matter.
