Dear Sir,

M.S. "BRITISH ARDOUR"

With reference to the Special Survey, which became due at the end of September, 1961, postponement of which until the end of last month previously approved, the Owners state that this ship is being withdrawn from trading and is now in the Firth of Forth where she is to be examined by their specialists before making a final decision as to her future.

I shall be glad if you will look into this matter and endeavour to let me know in due course the position as to the vessel's future.

Yours faithfully,

Clerk to the  
Classification Committee

The Secretary,  
GLASGOW
