Dear Sir,

t.e.s. "TROCHISCUS".
Venn Severn Emergency Diesel.Crank Shaft.

We refer to your letter of the 15th February in connection with the above matter, and are now able to advise you that the shaft in question has been received by Messrs. Fescols Ltd., who are now preparing to commence work on this unit.

Arrangements have been made with this firm to contact your Society's Outdoor Surveyors office direct with the object of co-ordinating the attendance of your Surveyor, and we trust that this arrangement will prove satisfactory.

Yours faithfully,
For and on behalf of:
SHELL TANKERS LIMITED.
