28th April, 1920.

Dear Sirs,

With reference to your First Entry Reports on the Steamers "BEAULY FIRTH" and "RIVER TYNE" I have to request that you will be good enough to state whether the breadths of upper deck sheerstrake buttstraps, and number of $\frac{3}{4}$ " dia. rivets in each row between frames, are as required, and whether the breadth of B. strake is as shown on the plan or as given in report.

You should also forward the usual Ship forging and casting reports for the "RIVER TYNE".

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

ABERDEEN.

Secretary.
