of the Ship Repair D.  
informed of the cable  
to look into the cas

I telephoned Mr. Lyndsay on Saturday in re  
case and he subsequently informed me that the request  
should intervene was made in error as the Tanker Division  
assumed that she was classed with this Society.

Actually the Ministry were quite prepared to accept the  
opinion of the B.V. Surveyor so that there was no need for any  
action by Mr. Bone.
