Dear Sirs,

S.S. "EASBY"

We have, with thanks, received your letter dated 27th May 1958 regarding the above vessel's Special Survey.

We have approached the Beneficial Owners in that respect and in their reply to us, they point out that the vessel is heavily booked with cargo until the end of October 1958.

In view of the fact that Annual Docking, Loadline, Boiler, part Machinery and Tail Shaft Surveys were completed in December 1957, we shall be very grateful if you would grant us three months of grace in order to enable the vessel to fulfil her present charter party without any interruption.

We are anxiously looking forward to receiving your kind reply.

Yours faithfully,

I. Heide-Holtan
