3rd December, 1958.

Dear Sirs,

S.S. "JALAGANGA"

To complete the Boiler Survey which became due at the end of May last, the port and starboard boilers remain to be examined throughout and the safety valves of all boilers adjusted.

Messrs. Scindia Steamships (London) Limited state that this ship has been sold in Bombay, and, in the circumstances, I shall be glad if you will let me know what early definite arrangements the new Owners propose making for the above inspection to be completed.

As a result of a satisfactory General Examination carried out at Calcutta in February last the Committee agreed to the Special Survey being postponed until February i.e. the expiration of the year of grace, and the Owners' intentions regarding the carrying out of this inspection should also be ascertained.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
BOMBAY
